Matias K

Hi my name is Matias Kaiser. I think I was a good student and a person who liked to bring good intentions wherever I went. Scoil Barra helped me to do so. Let me share some of my memories within the school.

Some of my favourite times at school were for example during Halloween when we are allowed to dress up in costumes.

Near Summer we would do this thing called "Sports Day" and personally that has been one of my favourite. As personal achievement I won all 3 medals, Bronze, Silver and Gold.

Personally I don't have any hobby or favourite sports but I did so much nice things for so many years and have so many very good friends that I won't forget my time at Scoil Barra. I would also like to thank the people in my class who make my every day the best.

Every year at school close to Christmas time, my parents and I would organise the teacher's present so we can give them a nice gift for their effort during the whole year. That always makes me proud.

I want to say Thank you!!! to all the teachers and SNAs who helped me throughout the years for your care and understanding.
