

## Infant Collection Routine

Collection time for Infants is at 1.40 p.m. (Junior Infants will be building up to this time during September).

Junior Infants will be collected from the Infant Yard via Gate 1.

Senior Infants will be collected from the 1<sup>st</sup>/2<sup>nd</sup> class yard (outside the school office) via Gate 2.

The same collection procedure applies to both yards.

Each yard has been divided into two sections, one for each class. Each section has rows of dots and some arrows at 2-meter intervals. There is an exit path marked down the side of each yard also. We would ask adults to line up on the dots as they arrive. The first dot will be clearly marked and will be known as the 'collection point'. This is arranged in an 's' shape, in a similar way to the queuing systems at the airport.

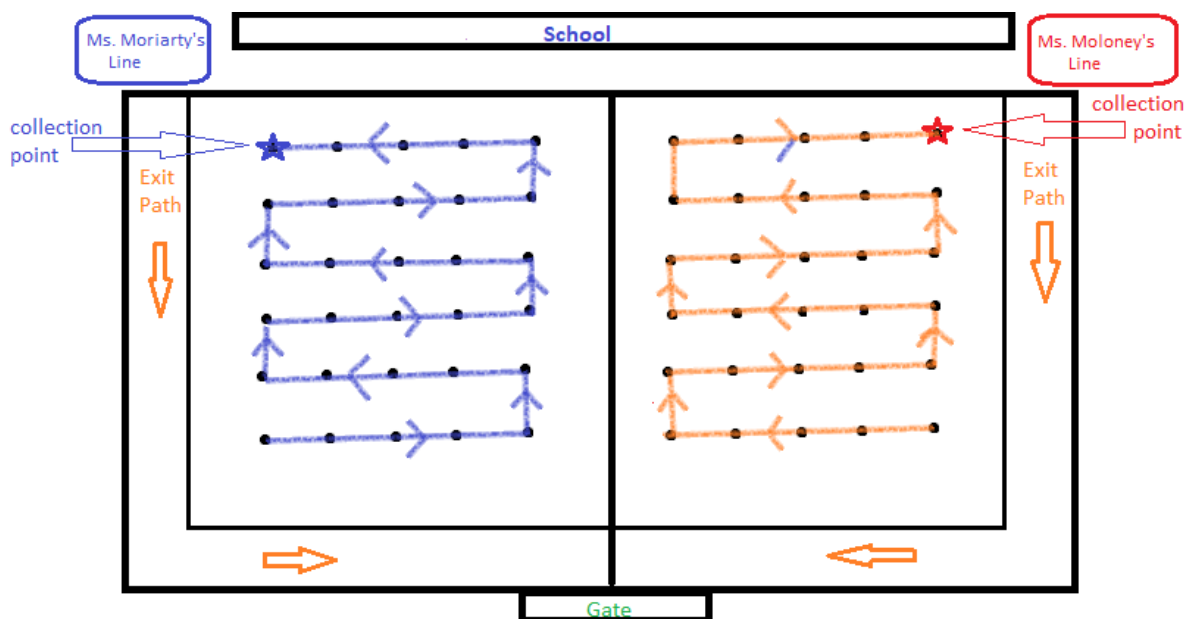

When your child's line arrives out on the yard, your child's teacher will send the pupil to the adult at the collection point. It may help if you say your child's name to the teacher. The queue of collecting adults will continue to move up in the order that adults have arrived and lined up in. Please be patient while waiting in line at collection time.

We would ask that, once you have collected your child, adults move directly off the yard via the exit path at the side. Please do not wait or congregate on the schoolyard after collection.

For our usual, 1.40 p.m. finish time we would ask that parents do not arrive before 1.35 p.m. as other classes are using the yard up to that time.

Please see the images below for collection arrangements.
